Any student missing a quiz or exam must give an acceptable excuse and will make it up at the end of the semester by special arrangement.

Attendance: Students must sign in prior to or at the conclusion of the lecture. Failure to do so results in a permanent absence recorded for that week. **One** non-excused absence is allowed for the semester. Excused absences are generated when a student contacts the instructor prior to the class time missed via written, phone, or email message which includes name, section, and time class will be missed. This information can be left with the Plant Science Dept. Secretarial staff.
