

EARLY COLLEGE EXPERIENCE

WITHDRAWN AUDIT FORM

The Withdrawn Audit Form allows a student who is no longer physically sitting in the course to withdraw from a UConn ECE course after the add/drop period with the consent of the course instructor and school counselor. This form can only be used during the academic year of the registered course. A student cannot withdraw from a course after the course is completed. Students seeking a withdrawn audit designation are still fiscally responsible for all fees related to their UConn ECE course. The WAU (Withdrawn Audit) designation is listed under non-calculable grades on the University transcript key and will not affect a student's grade point average.

Clearly print or type. All fields are required.
