

UConn ECE 2016-2017 Course Evaluation

Course evaluations may only be completed by registered UConn ECE Students. This paper survey can be used instead of the online form only in case of technological problems. It should be taken only in class and returned to the instructor immediately after completion. Instructors will need to return the forms back to UConn within a week of the deadline via any convenient method. If you have any questions or have misplaced your course information, do not hesitate to contact the UConn ECE office.

The deadline for submission of Full-Year and Spring 2017 evaluations is midnight on May 23.
