CAMPUS VISIT FORM

UConn Early College Experience is happy to suggest a variety of campus visit options to UConn ECE students. It is important to notify the UConn Early College Experience office when planning a trip to campus. **Please note: The UConn ECE office does not create a campus visit agenda for each individual class. This form is intended to provide UConn ECE partner high schools with the resources needed to create a campus visit.**

*Campus visits require a high level of preparation on the part of the University. Please complete this form only after transportation and substitute funding have been secured. This form should be completed by the requesting UConn ECE instructor **30 days prior** to the requested date of visit.*

Please Print Clearly.

Please choose from the following visit options. Instructors are to contact each UConn staff member to make all arrangements.

___ **Attend a UConn Class Session:** This visit will allow UConn ECE students to attend a class on a UConn campus. The course will be the same (or similar) course students are taking in high school. Instructors will need to make course arrangements with their assigned UConn ECE faculty coordinator and ECE staff member. It is extremely important to make contact as soon as possible when planning your visit.

___ **Library Tour:** This tour will allow UConn ECE students to have an overview of the campus library and will include a tutorial on online library resources. The UConn library staff will also be able to assist students with locating information for assigned research papers. To arrange a library tour, please contact Francine Defranco at Francine.defranco@uconn.edu

___ **Campus Tour:** If you wish to arrange a campus tour, please contact the Lodewick Visitors Center at: 860-486-4900

If you have any questions regarding organizing a trip to campus, contact Stefanie Malinoski at 860-486-1045.
