

What is UConn Early College Experience?

UConn Early College Experience (UConn ECE) is a concurrent enrollment program that allows motivated high school students to take UConn courses at their high schools for both high school and college credit. Every course taken through UConn ECE is equivalent to the same course at the University of Connecticut. Students benefit by taking college courses in a warm setting that is both familiar and conducive to learning.

High school instructors who have been certified through the University of Connecticut serve as adjunct faculty members and teach UConn courses.

Established in 1955, UConn Early College Experience is the nation's longest running concurrent enrollment program and is nationally accredited by the National Alliance of Concurrent Enrollment Partnerships (NACEP).

Globalization

Globalization is a highly charged topic that is seen as either a positive force that speeds economic sustainability of underdeveloped countries or as a negative movement that diminishes the importance of a nation and marginalizes the poor. This interdisciplinary conference will host noted University of Connecticut scholars, Fairfield County business leaders, and over 130 UConn Early College Experience students to debate the effects of globalization and discern the many aspects of this political, social, and economic reality.

ROOM ASSIGNMENTS

Students are divided into ten groups by color. During the roundtable discussion sessions, groups are to meet in these rooms:

Red Room 109

Orange Room 134

Green Room 136

Blue Room 137

Purple Room 225

Gray Room 226

Brown Room 237

Black Room 240

Yellow Room 242

After the session groups are to return to the auditorium for the awards ceremony and closing remarks.
