Credential Quick Reference
A quick reference guide about your UConn Email, NetID, and Husky OneCard

**UConn Email**

Usually “firstname.lastname@uconn.edu”

- We automatically link your business email to your UConn email!
- You can look up your email address in the Student Administration System.
- The only time you’ll really need it is when using an ILS (Interlibrary Loan Services) account.

**UConn NetID**

Usually “initialsdatejoinedorder”

jth18001

- Single Sign-in for most university services.
  - No need to remember lots of different logins.
- You have it in your nametag!
- Business card size “credential card”—keep it in a safe place!
- At any time, you can look-up your NetID at netid.uconn.edu.

**Problems with your NetID?**

Go to [https://netid.uconn.edu/](https://netid.uconn.edu/)

University of Connecticut Information Technology Services (UITS) at

**UConn ECE Credentials**

**Use your NetID**

- Most library resources
- HuskyCT
- Student Administration System
- Wireless internet on campus

**Use your UConn Email**

- Interlibrary Services
- RefWorks
- Google Apps for Education

**UConn One-Card**

- ID Card
- Often used to borrow library books (but not required to do so)
- IDs were distributed at the check-in desk. If you did not receive your ID, one will be issued to you when you come to campus for the next professional development workshop.
