

NEAG SCHOOL OF EDUCATION

DEPARTMENT OF EDUCATIONAL
LEADERSHIP

**This form must be submitted in addition to the ECE Instructor Certification Application Form*

School Name:

School Address:

How does community service fit into the mission of the school?

What requirements already exist at the school for students to participate in community service?

How do students arrange for community service, and how is it managed within the context of the school?

Are there any existing relationships for community service that the school has with organizations whose mission involves serving youth and families in urban areas around the themes of sport, physical activity, education or nutrition?

Proposed service-learning site:

Point of contact at service-learning site:

How do you envision the service-learning site fitting into the context of the EDLR 1162 course? What arrangements have been discussed for students to complete their service-learning requirement?

Are there any other service-learning courses offered at the school?
