EXPERIENCE

Compass Enrollment Center Process

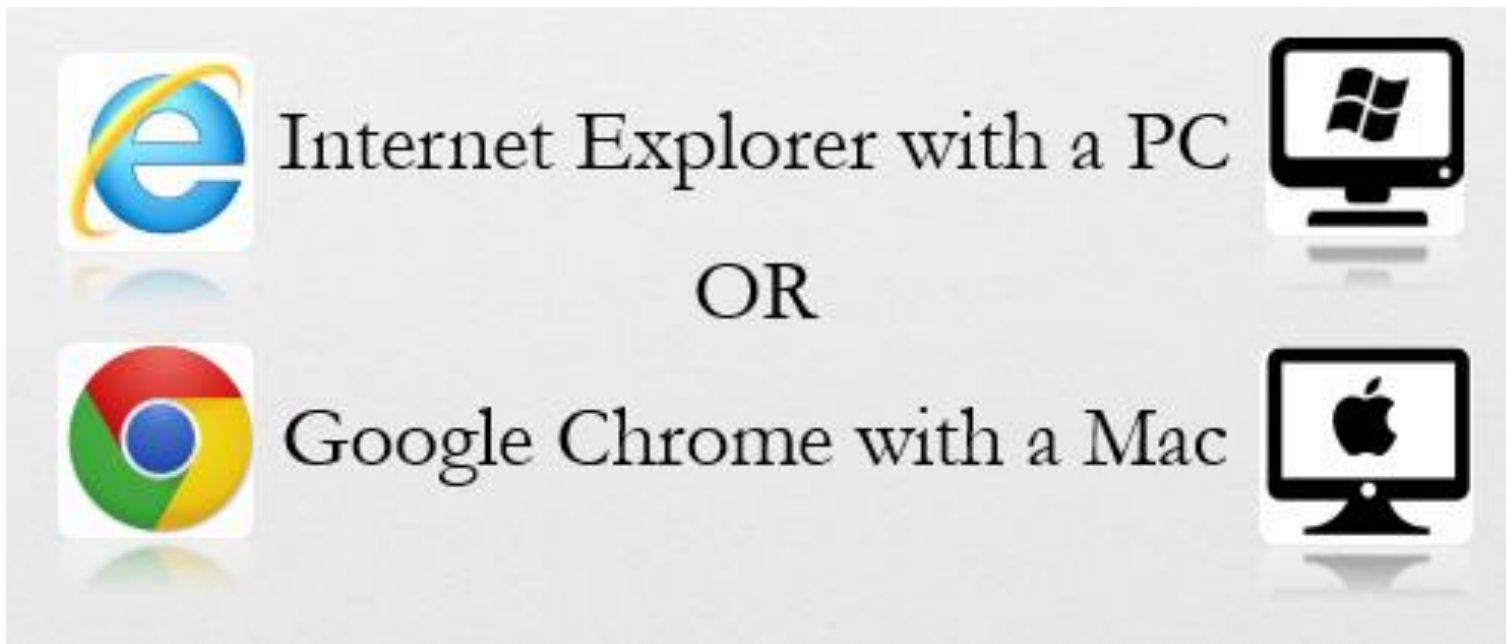

Step 4 ENROLL

Before you enroll, be sure to activate your UConn NetID and set a password.

Once your application is approved, you will receive an e-mail invitation to enroll in courses on August 11. *For late applications, it will take approximately 3-5 business days for a submitted application to be reviewed and approved before an enrollment e-mail is sent.*

Use your activated NetID and password to enroll in your
Fall, Spring, and Full-year courses.

When registering online we

STUDENTS & PARENTS

UConn Early College Experience (ECE) is your opportunity to take UConn courses in the comfort of your own high school classroom. You will take college courses in a familiar setting, simultaneously earn high school and college credit, and pay a fraction of the cost it would be to take the same courses on a college campus. By taking UConn courses through UConn ECE, you will officially start your college career as a non-degree student.

 **New and returning** students must submit an online application with a current Consent Form each year for approval and wait for an e-mail invitation to enroll before enrolling in courses.

Once a student application is approved, the student will receive an e-mail invitation to enroll in courses on August 11. For late applications, it will take approximately 3-5 business days for a submitted application to be reviewed and approved before an enrollment e-mail is sent.

UConn ECE Students who have NOT received an e-mail invitation to enroll: If you applied by ~~June 10~~ June 30 and did not receive an invitation to enroll on August 11, or if you submitted a late application and it has been more than five business days from when you submitted your application, please contact the [UConn ECE Program Office](#). You will be unable to enroll until your application has been approved.
