Step 1: Login with your NetID and password.
If at any point you forget your log in credentials, visit netid.uconn.edu.

Step 2: Click the NavBar icon in the top right-hand corner of the screen.

Step 3: From the menu, click Navigator. This will also appear on the right-hand side.
Step 4: Click Self Service

Step 5: Click Faculty Center

Step 6: Click Grade Roster
Step 7: Select the Grade Roster icon for the course you are looking to view.

If you have previously selected a different grade roster, it will display by default. Click “Change class” to view a different class.

Please note you may need to change the term.

Information and guidance for Instructors and Site Representatives on sharable student-level data under FERPA can be found in our Policies and Procedures Guide.
